

The *SUNDAY* Coupler

Volume 3 Number 2

January 28, 2012

Annual Meeting

Our 73rd annual meeting took place today. Many members came out to participate and enjoy the food. As has been past practice the meeting was held at Pietro's on the hill. Food as usual was excellent and was enjoyed by everyone. The annual election ballots were tabulated and all members were re-elected.

Lat summer was our best year ever. We had over 14,000 passengers including over 1400 on the specials.

Department reports were given by the department heads. Questions were asked and answered though not to everybody's satisfaction in some cases.

John Delaney was given honorary status in gratitude for his past work at the railroad.

A note from Don Miller was read expressing his gratitude for being so welcome at the railroad. Unfortunately his wife is not doing as well as he since her memory continues to deteriorate.

Dave passed out the Whiffenpoof and asked me to report that Chris Brophy's picture in Trains magazine was in the January issue not the February or was it the other way around. Anyway it is in one of those months.

Pictures

Following is a collection of pictures from today's lunch. Jim A is pictured because he said his picture wasn't in the last coupler.

Board members at the head table

Contact Information

For address changes, cancellations or new subscriptions email me at sundaycoupler@gmail.com. Any announcements can be sent to me there also. Submissions for inclusion in the Coupler are also welcome. Help me out. Tell me what is going on around the railroad. If you have visited a museum or railroad send me pictures. Birthdays and anniversary's are welcome also.
